FEATURES

Compact, tough, easy to move

An 80 litre HDPE wheelie bin for homes, small businesses and sites where space is limited. It also works well as an extra bin on larger sites, and can be set up for recycling.

COMPLIANT WITH

AS4123
EN840

Australian Standard sizes

Complies with AS4123 and EN840 and fits standard DIN lifting equipment for emptying.

Recyclable 100% HDPE

Moulded date stamps and the HDPE recycling code on the rim. Resistant to UV, frost, heat and chemicals.

200 mm wheels

Lightweight at ~8 kg with large wheels, so the bin is easy to move and place.

ALSO BUILT IN

- Impact, UV and chemical resistant
- Can be customised for recycling
- Compact footprint for tight spaces
- Stackable for shipping and storage

IDEAL FOR

Homes | Small businesses | High-density urban sites | Industrial sites
