FEATURES

Built for bulk waste

A 1100 litre HDPE wheelie bin for industrial sites, warehouses and large facilities. Consolidate smaller bins into one bulk collection point with a compact footprint for its capacity.

COMPLIANT WITH

AS4123 · EN840

Australian Standard sizes

Complies with AS4123 and EN840. Works with standard lifters, ID/RFID and weighing systems.

Heavy-duty rear hinge

Moulded hinge brackets and a full-length hinge rod hold the domed lid securely through daily use and lifting.

Ergonomic side handles

Grab handles on both ends make the bin easy to push, pull and position, even when full.

Reinforced base, 4 castors

A reinforced base and panels carry heavy loads, on four heavy-duty swivel castors with front foot brakes.

IDEAL FOR

- Shopping centres
- Warehouses & loading docks
- Strata & multi-unit sites
- Schools & hospitals
- Construction sites
