FEATURES

Hands-free, hygienic, easy to move

A 120 litre pedal bin for hospitals, hotels, motorway service stations, apartments and other high-traffic areas. Step on the pedal and the lid lifts, so there is one less surface to touch.

COMPLIANT WITH

AS4123
EN840

Australian Standard sizes

Built to AS4123 and EN840 standards.

Large foot pedal

A wide steel pedal across the front, easy to find with your foot.

Lid lifts hands-free

A side rod links the pedal to the lid, removing a common touch point.

Wheels on a central axle

Two 200 mm wheels make the bin easy to move between areas.

ALSO BUILT IN

- 100% HDPE: impact, UV and chemical resistant
- Rear and side handles for towing and lifting
- For indoor and outdoor use
- Anti-tip design, stable in windy conditions
- Wipes clean and can be disinfected
- Quick self-assembly, instructions included

IDEAL FOR: Hospitals · Hotels · Motorway service stations · Apartments · High-traffic areas
